*"Real Life: Purpose"*  
**Matthew 28:16-20**  
**Dr. Chris J. Hayes**

Real life in Christ leads us to purpose and mission. We no longer live life simply to our own desires and thoughts, but instead we live to the plan that Christ laid out for us as his disciples. Christ was clear, we have a purpose, to go out and make disciples in order to transform the world. To connect God's family in a way that helps people know, love, and serve God and each other, so that the world might experience the love of Christ and become disciples themselves. The real life that Christ gives us is a life of excitement, hard work, and a clear path. Too often we forget how clear Christ was about what we are to be doing in this life. Join us this week as we see clearly what we are called to do and who we are called to be as Easter people that live a real life in Christ

young professionals

FUMC of Keller's Young Professionals Ministry offers a variety of social, study and service opportunities for young professionals—both married and single, with small kids and without—who are post college age through early 30s. These opportunities are designed to connect young professionals to God and to others in meaningful ways.
